

LEEDing the Way

Virtual Field Trip
for Middle and High School Students

This is a unique experience including an in-depth virtual guided tour of BRIT's LEED Platinum campus with over 20 videos and 360° views.

Students will explore inside and outside of our BRIT campus to make connections between the impact of a LEED Platinum building and the environment, then apply their knowledge to design their own sustainable buildings of the future.

\$140 LEEDing the Way Virtual Package Includes:

- Pre-activity video
- Kuula virtual tour of BRIT
- Activity Pages with suggested vocabulary, driving questions, and instructions for the Engineering-Design Challenge
- 45 minute live video session with Education staff for students to share and discuss their designs.

All Virtual Field Trips are priced for a single class with a maximum of 35 students.

Payment or PO must be completed before any materials can be shared.

Live video sessions available Monday - Friday at 10 AM, 11 AM, 1 PM, or 2 PM.
